

PHANTOM

low pressure

THE WAIT IS OVER!!

Berizzi presents its NEW low pressure spray guns line, PHANTOM, for professional paint spraying, version with cup.

Able to guarantee high performance, Phantom is suitable for the intensive industrial application of spray finishes and surface coatings of abrasive materials, enamels and other difficult-to-spray materials.

Designed for high quality standards and inspired by resistance and durability over time. With a unique and modern design Phantom is able to offer an unbeatable combination of precision, manageability and solidity.

MADE IN ITALY - HIGH QUALITY FINISH AND PERFORMANCE!

Soon available: from June 2024.
