

LOW PRESSURE SOLVENT RESISTANT HOSE

Low pressure solvent resistant hose

COD	DESCRIPTION	MT.	RACC.
810170	Solvent resistant hose mm 10x17	mt 100	
	REELS OF 100 MT		
		MT	CONN
810177	Solvent resistant hose mm 10x17	mt 7,5	conn 3/8"
810171	Solvent resistant hose mm 10x17	mt 10	conn 3/8"
810175	Solvent resistant hose mm 10x17	mt 15	conn 3/8"

Technische Spezifikationen

Technical-constructive features:

Tube: black, seamless synthetic rubber compound.

Reinforcement: high strength synthetic fabrics.

Cover: black, abrasion, ageing, ozone and weather-resistant, seamless synthetic rubber compound.

Application: delivery of compressed air, non-aggressive fluids and water for agricultural and industrial uses.

Working temperature: from -40° C to +120° C.

Specifications: ISO 8331
