

Miura 21000

Hydraulic Piston pump

Hydraulic piston pump for airless high-pressure professional paint spraying suitable for painting and anti-corrosion treatment with high viscosity products. It can be used with paints, anti-corrosives, intumescent coatings, protective coatings and encapsulants (water-based and solvent), putties, ready-mix stucco, fillers and injection resins. Available either with gas or electric engine.

CODE	DESCRIPTION
TKH21D	MIURA 21000 Hydraulic airless piston pump Volt 230/Hz50 single phase C/Trolley - Inline filter - Manometer - HP hose 10m - RST2 spray gun - FM6 tip guard - Reversible FM6 tip - Complete suction system
TKH21E	MIURA 21000 Hydraulic airless piston pump volt 230/Hz50 single phase C/Trolley - Inline filter - Manometer - HP hose 10m - RST2 spray gun - FM6 tip guard - Reversible FM6 tip - Direct suction
TKH21A	MIURA 21000 Hydraulic airless piston pump volt 230/ Hz50 single phase C/Trolley - Inline filter - Manometer - Direct suction
TKH21F	MIURA 21000 Hydraulic airless piston pump with gas engine C/Trolley - Inline filter - Manometer - HP hose 10m - RST2 spray gun - FM6 tip guard - Reversible FM6 tip

TKH21G **MIURA 21000 Hydraulic airless piston pump with gas engine C/Trolley - Inline filter - Manometer - HP hose 10m - RST2 spray gun - FM6 tip guard - Reversible FM6 tip - Direct suction**

TKH21C **MIURA 21000 Hydraulic airless piston pump with gas engine C/Trolley - Inline filter - Manometer - Direct suction**

Technical specifications

Motor | Volt: 230 V/ 50 Hz

Variant: 380 V/ 50 Hz

Power: 2,23 Kw

Max. Delivery Free Flow: ltr/min 6,5

Stroke: mm 80

1 Gun 0,035

Max. Tip 2 Guns 0,017

3 Guns ---

Max. Working outlet pressure: Bar (PSI) 240 (3480)

Max length HP hose: mt. 100

Max length HP hose (elevation): mt. 100

Packing material: PTFE

Material outlet fitting size: M 16x1,5 mm

MIURA 21000G

Motor: HONDA

Power: 8,4 HP

Max. Delivery Free Flow: ltr/min 6,8

Stroke: mm 100

1 Gun 0,037

Max. Tip 2 Guns 0,017

3 Guns ---

Max. Working outlet pressure: Bar (PSI) 280 (4061)

Max length HP hose: mt. 100

Max length HP hose (elevation): mt. 100

Packing material: PTFE

Material outlet fitting size: M 16x1,5 mm
